### How to stay healthy

When your body isn't working properly you feel ill. You should look after yourself and help your body stay healthy.

First of all, you need to eat the right food to stay healthy. You should only eat small amounts of food with a lot of fat and sugar, like butter, cakes and sweets. Fresh fruit and vegetables are good for you, and so are fish, nuts and meat.

More and more schools are using fresh food and trying to educate children about healthy eating. And parents can help, too. It's important that families eat together around a table and not in front of the television. All meals should include fresh fruit and vegetables.

Exercising is important. Different kinds of exercise can help your body in different ways. Running makes your heart and lungs stronger. Swimming is also a good way to exercise and keeps your body healthy. Getting enough sleep is also very important. Most people need at least eight hours each night. While you are asleep your body has a chance to repair itself.

a What food is good for you?

---

b What are more and more schools trying to do?

---

c What is important for families to do?

---

d What does running do to your body?

---

e What happens to your body when you are asleep?

---

**The life of a police officer**

1 \_\_\_\_\_

My name is Mary Sharp. I'm a police officer. I love my job because I do so many different things. Every day is different. Here are a few of the things that I do.

2 \_\_\_\_\_

Sometimes I go in the patrol car with another officer. We drive around the city, looking for people who are breaking the law. Sometimes people forget to put on their seatbelts, or they use their mobile phones while they are driving. Cyclists ride on the pavement or ride their bikes at night without lights.

3 \_\_\_\_\_

Sometimes I walk around shopping centres, looking for people who are stealing things from shops. I watch people to see if they put things in their bags without paying for them.

4 \_\_\_\_\_

One of the nicest parts of the job is when I work at carnivals, festivals, or pop concerts. At these events people are very happy and there isn't usually very much trouble. I often help people by giving them directions and other information.

5 \_\_\_\_\_

I sometimes go to big football matches. These are also fun, because I ride a horse, but sometimes there is trouble and the supporters start fighting. I have to stop the fighting and control my horse.
